

PROMOTING THE STUDY OF AFRICA IN THE  
NATION'S LIBERAL ARTS INSTITUTIONS

## Africa Network Membership Registration Form

The Africa Network is a nonprofit consortium of liberal arts colleges committed to literacy about and concern for Africa in American higher education. Through a variety of creative programs, the African Network seeks to ensure a place for Africa on the agenda of a new generation of college students.

Institutions and individuals may join the network. Institutional membership automatically makes all faculty and staff members of the Network. Institutional membership must be approved by the appropriate officer of the institution (e.g., Dean, Provost). He or she will also appoint a campus contact for the Africa Network.

In accordance with our mission, only liberal arts colleges, and faculty and staff at such colleges, may become *full members*. Full members are accorded preference in some Network activities.

Institutions that include in their mission undergraduate education, but which are not liberal arts colleges, and faculty and staff at such institutions, may join as *associate members*.

Organizations and individuals with an interest in undergraduate liberal arts education may join as *affiliate members*. Affiliate members may not apply for grants administered by the Network nor may they nominate or vote for officers of the organization.

Membership fees are recommended but are optional for the 2011-12 year. If you choose to pay the membership fee, please make your check payable to **Africa Network** and mail it, along with the completed form below to:

Jim Pletcher  
Dept of Political Science  
Denison University  
100 W. College Street  
Granville, OH 43023
